

## **CCH Isaiah 61 Guest House Fees**

**Reservations:** Advance reservations are strongly recommended. The advance reservation rate is \$60 per person per night and includes three meals; (rate is subject to change). Any missed meals will not be deducted from the per diem rate. However, if requested well enough in advance, group lunches can be prepared and taken to work sites. To make such reservations, please email the Director of Communications and Outreach at [abby@cchaiti.org](mailto:abby@cchaiti.org).

**Non-Reservations:** The walk-in per diem rate at Isaiah 61 is \$60 per person per night; (rate is subject to change).

**Availability:** CCH will make every effort to give each group as much space as possible, but the number of people assigned to a room will depend on the occupancy at the time of stay. The Isaiah 61 Guest House has 14 rooms that sleep between 2-6 guests. All rooms have private bathrooms with showers.

**Transportation:** Local transportation is not included in the Isaiah 61 House rate. If transportation is available the fee is \$15 per day per person.

**Refunds:** In the event a Isaiah House guest cancels their trip and has already paid their fee, CCH will apply the fee to a future trip or guest-house stay. The guest may also choose to transfer the paid fee to another guest. All paid fees and/or transfers must be used within two years.
