

Excited to volunteer and share your skills with the people of Haiti?

Daunted by the cost?

Want an easy way to ask friends and family to help?

Community Coalition for Haiti (CCH) has teamed up with Everyday Hero, an online peer-to-peer (crowd-funding) fundraising platform. This will allow CCH volunteers like you to raise funds individually and in teams to support their mission trips to Haiti. Funds go directly through Everyday Hero to CCH and are applied to your trip invoice, and the donations are tax deductible for donors. Set up is easy, just follow the steps below.

1. Ask Abby (abby@cchaiti.org) for a link CCH's Everyday Hero Landing Page for your trip. Each trip/team has a different landing page.
2. Go to the Landing Page and click "Start Fundraising" to create your individual supporter page. Once you have a supporter account, you can start fundraising!
3. Invite other members to join your team and follow tips from Everyday Hero to share your fundraising campaign on social media and raise money towards your trip.
