

# Fundraising Guide

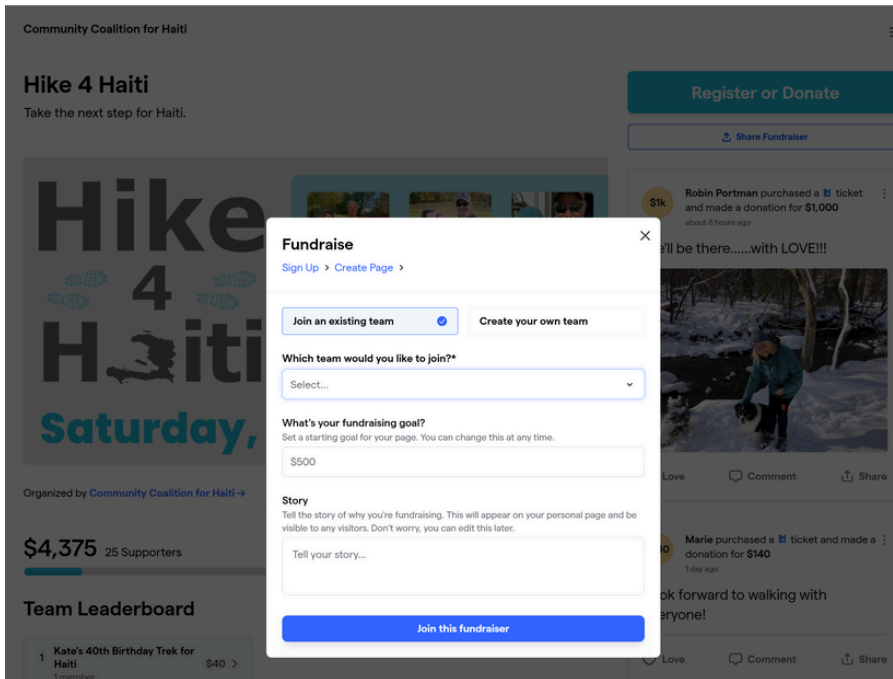

1

Go to <https://givebutter.com/moS77X/join> and create your personal fundraising page.

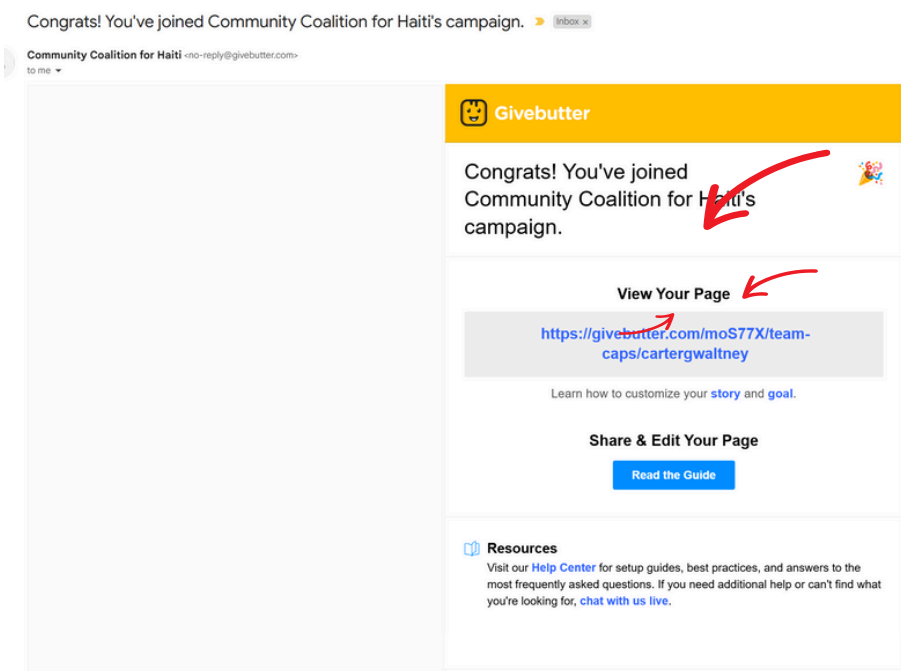

2

Join an existing team or create your own team. Note that the fundraising goal you set is for you personally. There is no team fundraising goal.

3

Check your email to confirm you've joined the campaign. Click the links to view your page, update your story, or update your goal amount.

4

View your "Team Member" page, and click the "Share" link.

The screenshot shows a fundraising page for "Hike 4 Haiti" organized by the "Community Coalition for Haiti". The main banner features the event title "Hike 4 Haiti" and the date "Saturday, March 29, 2025". Below the banner, a progress bar shows a total of \$4,375 raised from 25 supporters, with a goal of \$40,000. A fundraiser profile for "cJane Doe" is visible, showing \$0 in supporters. To the right, a list of donations is shown, including a \$1,000 donation from Robin Portman and a \$140 donation from Marie. A red arrow points to the "Share" link next to the fundraiser's name.

5

Use the email and social media icons to share on those platforms, or copy the link and share however you'd like with family and friends. When they donate using your link, you and your team will get credit!

This screenshot shows the same fundraising page as above, but with a sharing modal open over the fundraiser's profile. The modal is titled "Share Jane's page" and includes the text "Fundraisers shared on social networks raise up to 5x more." It displays the URL "https://givebutter.com/mo577X/team-caps/cj" and a "Copy" button. Below the URL are icons for Facebook, X, LinkedIn, WhatsApp, and Email. A red arrow points to the sharing options.
